

# Stop collecting paper cards. Start capturing actual business.

## The Smart Lead Capture Solution for Exhibitors.

A standalone reading deck for exhibition professionals.

NotebookLM

# The “Business Card Chaos” is costing you money.

You have invested time and money to be here. Your booth is ready. The crowd is coming. But manual processes are creating a bottleneck.

Every lost business card is a lost revenue opportunity.

# Your smartphone is now an AI-powered lead capture tool.

No clunky hardware scanners. No rentals.  
Runs directly on your own device.

-  An exclusive, high-speed digital tool designed specifically for the exhibition floor.

# From handshake to database in under 30 seconds.

## Scan

Snap a photo.  
Google Gemini AI  
automatically extracts  
Name, Company,  
Email, and Phone.

## Qualify

Don't just get a  
name; get context.  
Select product  
interests from a  
customized checklist.

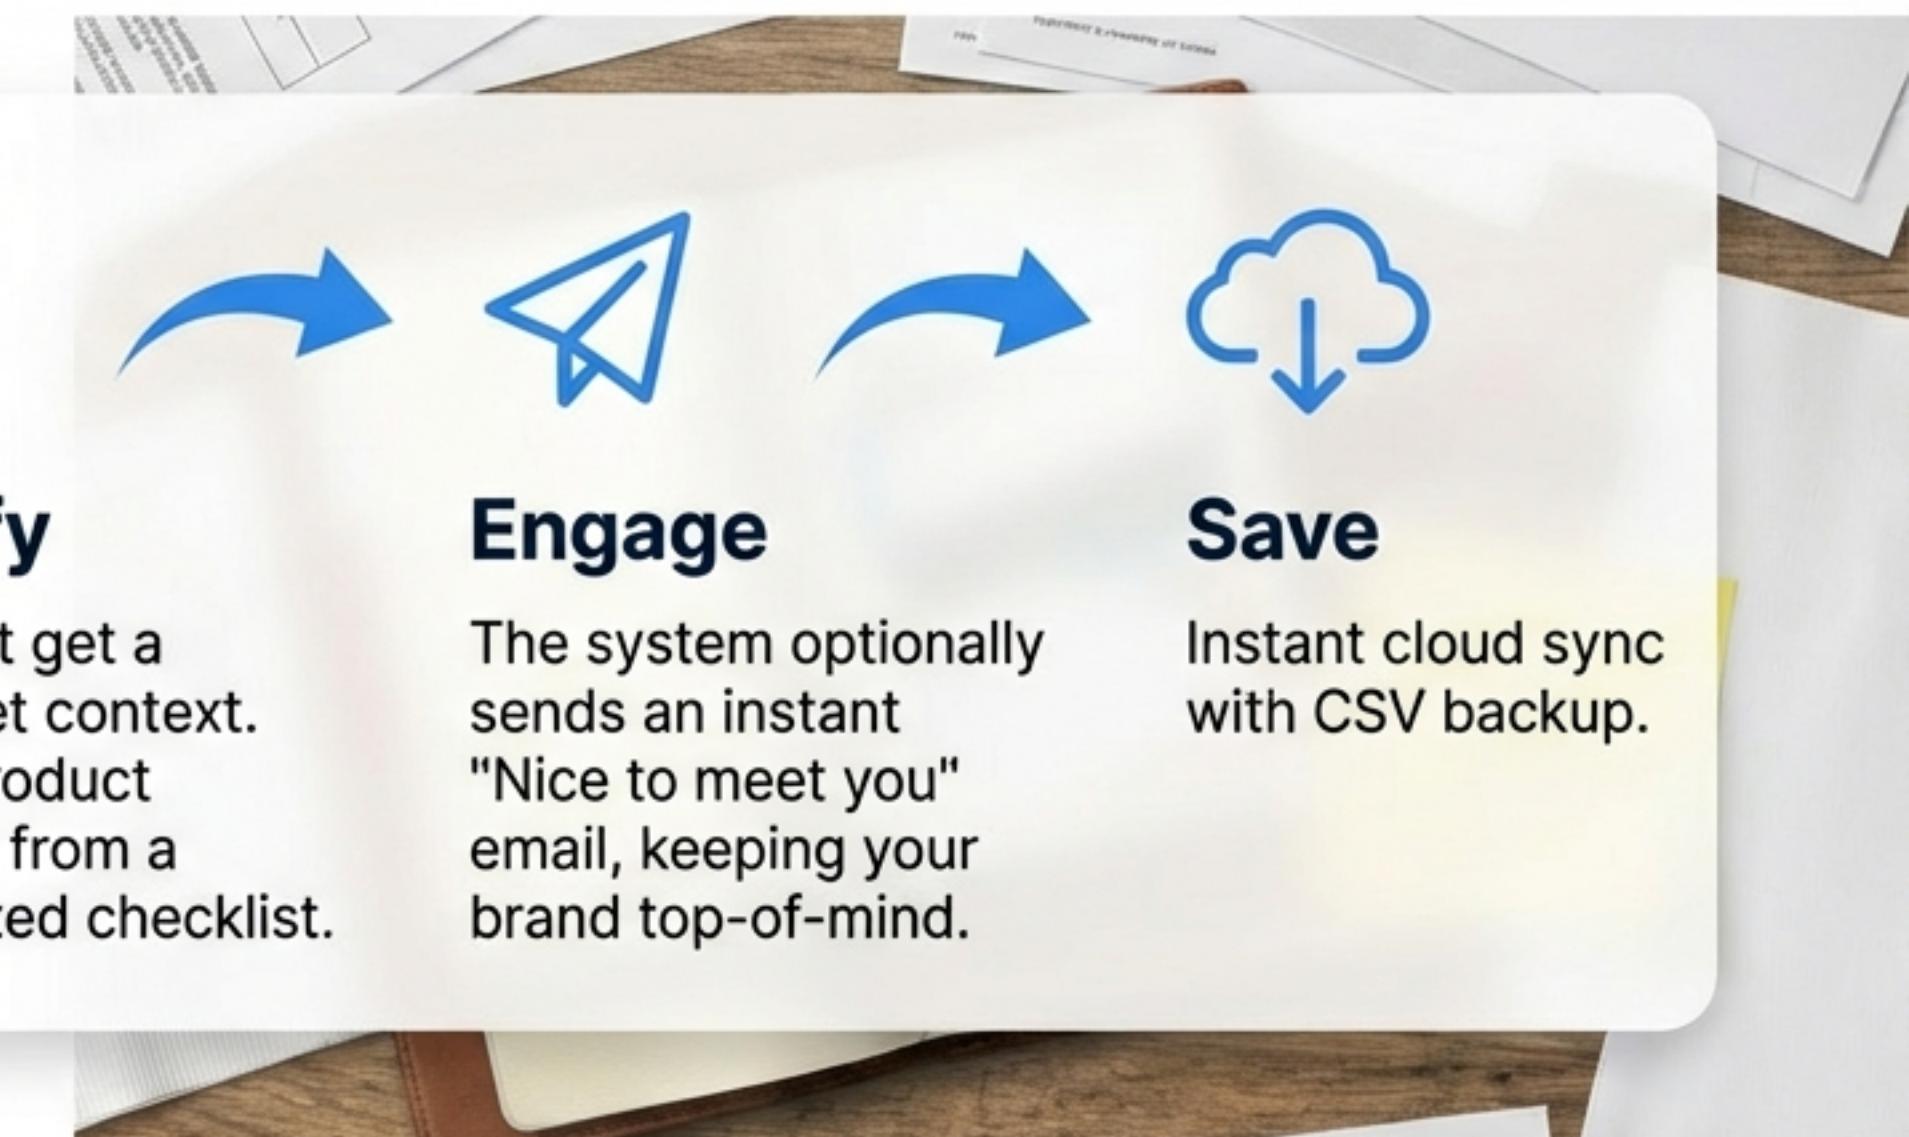

## Engage

The system optionally  
sends an instant  
"Nice to meet you"  
email, keeping your  
brand top-of-mind.

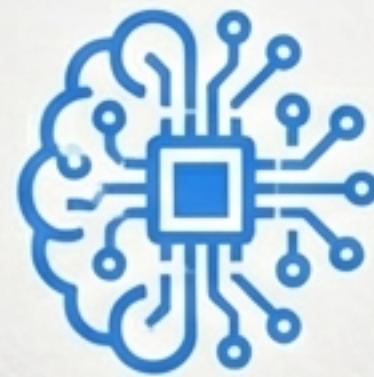

## Save

Instant cloud sync  
with CSV backup.

**Scan, verify, submit, and reset.**

# Professional, Accurate, and Zero Data Entry.

## Powered by Google Gemini AI

Our AI reads cards better than humans can, significantly reducing typos in email addresses.

## Zero Data Entry

Save hours of manual typing after the event. Your database builds itself automatically as you scan.

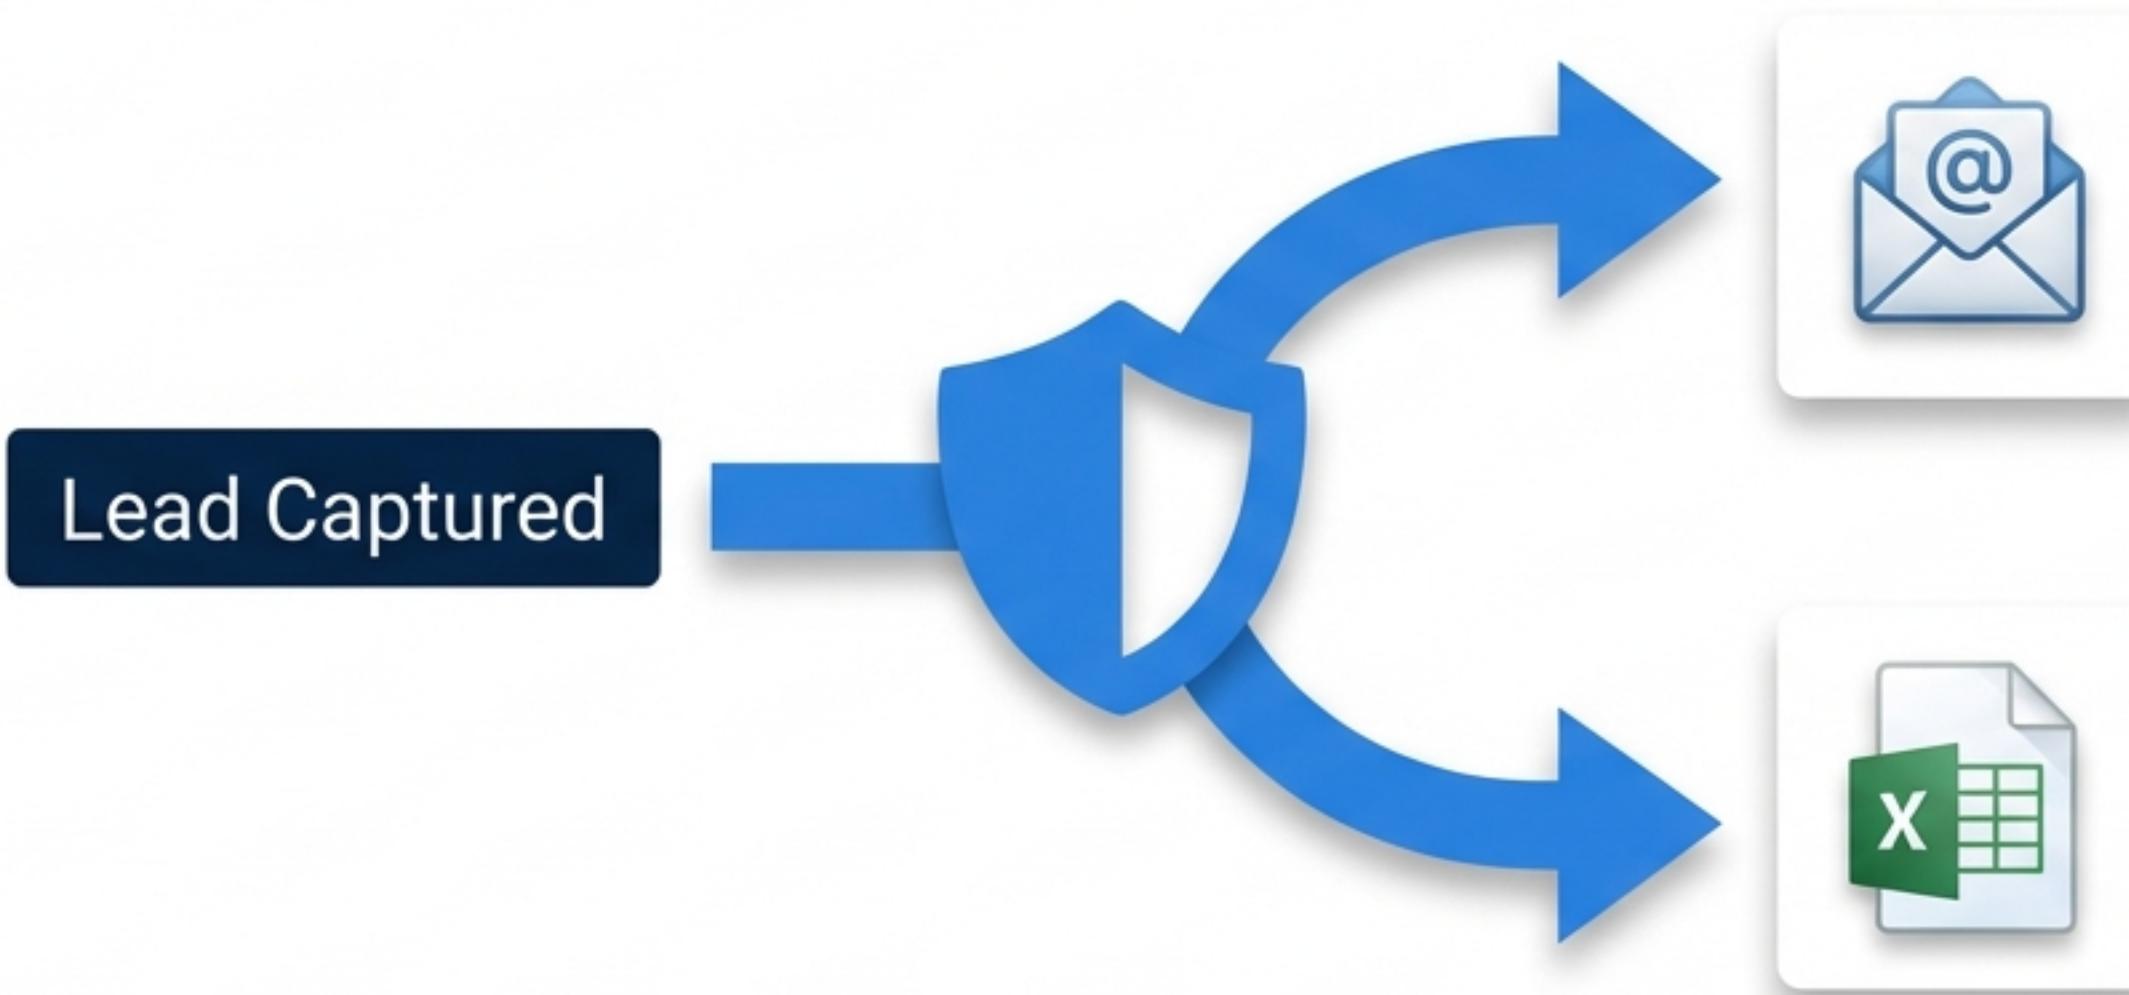

## Professional Impact

Impress visitors with modern tech instead of fumbling with a pen and paper.

# Double-Layer Data Safety

We ensure your leads are never lost in the shuffle

**Instant Email:** Leads are emailed to you the moment you click submit.

**CSV Database:** Data is simultaneously backed up to a secure file.

**Takeaway:** Download your full Excel-ready database immediately at the end of the show.

# Full Event Access: ₹1,000 (INR) Only.

## “All-In” package:

- ✓ - Flat fee for the duration of the exhibition.
- ✓ - Unlimited scans.
- ✓ - No hidden fees or per-lead charges.

Go digital today.

Don't let your next big client get lost in a pile of paper.
